- ✓ Cert 4 Disability & Community
- ✓ Cert 4 Training & Assessment
- ✓ All the DSC Coordination Courses
- ✓ Advanced Support Coordination
- ✓ Previous Career 15 +- Financial Industry, financial goal setting, plan reviews, budgeting, estate planning and more.

I am often told that I'm easy to get along with, caring, organized, and always willing to go the extra mile. I take great pleasure in assisting people in achieving their goals and have found that my previous work experience has equipped me with the necessary skills to navigate the NDIS landscape. I manage a NDIS support and coordination business, that employes 4 fulltime staff, 45 casual staff and 3 nurses.

In my past roles, I have had to write reports, prepare annual reviews, and use financial tools to manage and project budgets. I have experience working in highly regulated environments and am not intimidated by change or adhering to rules and regulations. I believe that these regulations are in place to ensure the safety, wellbeing, and longevity of projects and services. For me, policies and procedures are essential as they ensure quality and safety for people.

I am a mother of two and have been involved in various community committees, including sporting and P&C committees. I have always been an active member of the community and will happily contribute to any worthwhile cause.

I look forward to serving the membership of the BLIND BATS and making sports accessible to people with disabilities.
